# JOTTO DESK®
VEHICLE MOUNTING SOLUTIONS

425-2082
USB 5 LED Flexlight
for A-MOD and A-MOD XL

Installation Instructions

1. Remove back right bottom corner screw from the A-MOD with 1/8" Allen wrench.

2. Place keyboard mount on bottom corner, standoff will fit into the diagonal hole where screw was removed.

3. Attached with longer provided screw and lock washer in 425-2082 Keyboard kit.
